

Albion Recycling Center

Look for this symbol to start recycling:

This symbol says, "I can be recycled into something new."

Plastic items have recycle symbol and a number with an abbreviation underneath it.

Be part of the cycle...look for the recycle symbol when you shop.

How do I recycle?

Using cardboard boxes and reusable recycling containers, separate your recyclables into the categories represented by the bullet points below. Staff and volunteers will unload the recycling from your vehicle and return all reusable recycling containers during your visit.

The following list of items are accepted at the Albion Recycling Center:

BOTTLES AND CONTAINERS

- Aluminum (*please crush*)
- Tin Cans (*remove label*)
- Clear Glass Containers (*no colors, remove label*)
- #1 PET Clear Plastic Bottles (*soda, water, & flavored beverages*)
- #2 HDPE Plastic Bottles – natural (*milk and water jugs*)
- #2 HDPE Plastic Bottles-colored (*detergent & fabric softener containers*)
- #1 PET non-bottles, #3 PVC, #5 PP, #6 PS, and #7 Mixed Plastic Containers (*clam shells, health and beauty products, household cleaners, yogurt cups, cottage cheese containers, syrup, ketchup bottles, plastic lids*)

Please remember to empty and rinse containers. Container lids and caps should be removed. Plastic lids may be recycled with the mixed plastic containers.

PAPER ITEMS

- Newspaper, including inserts and telephone books (*remove plastic sleeves*)
- Cardboard (*no waxed cardboard*) including box board (*cereal, cake & food mix boxes, gift boxes, shoe boxes, etc.*)
- Office Paper including notebooks (*remove spirals and binders*), mail and envelopes (*no plastic cards or stick on labels*)
- Magazines/Catalogs

OTHER ITEMS

- Vinyl Siding
- Styrofoam #6 – polystyrene (*no peanuts or construction foam*)
- Household Batteries (*place lithium batteries and non-lithium batteries into separate containers*)

ITEMS NOT ACCEPTED:

- Motor oil, insecticide, herbicide or hazardous chemical containers
- Plastic buckets, storage tubs, and other molded plastic items
- Plastic bags – instead reuse or return to grocery, or department store
- Plastic sheets or film (tarps or wrap). This includes packaging from cases of water bottles
- Plastic pet food, mulch, and water softener salt bags
- Electronic devices such as coffee makers, vacuums, televisions, computers, and computer monitors
- Appliances
- Tires
- CFL or fluorescent light bulbs – please take these to Household Hazardous Waste collection
- Carpet or carpet padding
- Furniture
- Window glass, auto glass, dinnerware, or ceramics

Please do not bring your items in plastic grocery store or garbage bags. These items can't be recycled at our center. Consider using reusable containers or placing your items in a cardboard box which can be recycled at the center. Having your items pre-sorted will expedite the recycling process and reduce how long you have to wait in line.

By sorting the recyclables into specific categories, you create less of a carbon footprint because it reduces the miles our recyclables will travel on the roadways to sorting facilities and will create a more valuable recycling commodity.

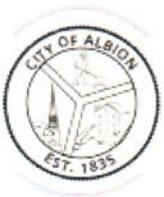

HOURS:

Wednesday 10 am to 6 pm
Saturday 10 am to 2 pm

ADDRESS:

216 N. Eaton St.
Albion, MI 49224
