SCHOLARSHIP/FEE WAIVER AGREEMENT

It is the belief of the City of Albion Recreation Department that all citizens of the City of Albion and the surrounding areas shall have the opportunity to participate in programs offered by the City of Albion Recreation Department. There are fees attached to many of the Programs offered by the Albion Recreation and those fees are vital to provide quality programs.

We also understand that there are life circumstances which prevent families financially from being able to provide for their child to engage in City of Albion Recreation Department Programs. With this understanding the City of Albion Recreation Department is willing to offer a Scholarship/Fee Waiver Agreement to parents.

The City of Albion Recreation Department desires to have all children participate in its programs and is willing to work with parents so that all children have that opportunity.

Fee Waiver:

In those cases where there is a hardship parents must submit in writing a fee waiver and/or scholarship request. If a fee waiver is granted the child and or parent will be required to perform volunteer work in lieu of the program fee.

Scholarship:

If a scholarship is awarded then there is no work requirement on the part of the child and or parent. Failure to comply may result in the named child not being able to participate in future programming until the fees are paid in full.

This Scholarship/Fee Waiver Agreement will be between the City of Albion Recreation Department and the parent(s) of the named child. The child must be under the age of 18 at the time of the agreement. Documentation of financial need may be required.
